CERTIFICATE

OF COMPLETION
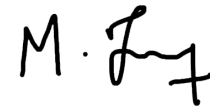

This is to certify that

SRIHARI M K

holding Registration ID PITEEP126 has successfully completed the 10-Day Training on

Ethical Hacking, Exploits & Protocol Pentesting

conducted by Prompt Infotech in association with the National Cyber Security Research Council (NCSRC) from December 9th to December 18th, 2024.

During this training, the participant gained hands-on expertise in identifying vulnerabilities, performing penetration testing, mitigating cyber risks, and securing systems against threats. We wish them all the best in their future endeavors.
